KABATAAN Partylist and other individuals whom we appreciate sincerely.

To all other individuals and organizations who may have not been mentioned, we express our gratitude for all the invaluable support, and we hope for more support as the needs of the victims continuously pour into the Serve the People Brigade Center at No. 55 Ferguson Road and another strong typhoon, Typhoon Ramil, may landfall in the next three days here in Northern Luzon, to think that our people have not even started to recover and the need for more relief goods continues to grow. We will come out soon with specific rehabilitation needs of target communities in the province mentioned above.

Once more, our deepest gratitude to everyone who is helping us help our affected *kababayan* and *kailian* rise from the ruins of this tragedy. We draw strength from your support and solidarity, as we continue reaching out to more isolated communities and provinces. #
